RESPONSE

Sir:

In response to the previous Office Action mailed on January 31, 2005, Applicants
timely filed a Response and a Petition for Extension of Time on July 21, 2005.

However, in that response, new Claim 133 was properly identified as a new claim,
but a portion of the claim was underlined, suggesting an amendment. In the
Communication mailed on October 7, 2005, the Examiner kindly pointed this out and
requested clarification as to the status of Claim 133.

Accordingly, Applicants are now resubmitting the previous Response with new
Claim 133 presented without underlining.

Appl. Ser. No. 09/292,552

The remainder of this paper is a repeat of the Response of July 21, 2005.

Please amend the above-identified patent application as follows:

Amendments to the Claims begin on page 3 of this paper.

Remarks begin on page 14 of this paper.
